

ANNUAL REPORT 2013 – 2014

Institutional Milestones:

St. Joseph's College for women (Autonomous) went through third cycle of assessment and accreditation and is reaccredited with A Grade and thus SJCW (A) is the only women's college in North Coastal Andhra with an A Grade.

New PG Programme, MSc. Home Science is being initiated from the academic year 2014-15.

SJCW(A) is in the process of setting up a Community College (with courses in DTP, Health Assistance and Fashion Designing) for Intermediate failures and drop outs. It is also likely to start new UG programs in Vocational, BPO and Fashion Designing.

The college conducted one National Conference on 'Green Technologies' in the month of November. The newly constructed Basket Ball Court and Media Lab have also been inaugurated in the same month.

The college is now SAP Partner Institute.

5 faculty members were awarded PhD and 5 faculty members received MPhil in 2013-14.

One major research project with DST funding and three minor research projects with UGC funding have been sanctioned in this year.

SJCW (A) received 'Best Institution Award in NCC' for the year 2013-14, from 13(A) BN Unit of NCC. During Independence Day celebrations at AU, the college contingent received 'The Best NCC Contingent Award' from AU Vice Chancellor.

Nearly 400 Govt. School Children (of 2 schools) were benefited by the Science Education Programme CASE and 220 students of Sacred Heart Aided Govt. High School were inspired by the Vedic Maths training initiative, MATHEMATRICS.

Academic Innovations

New Core Paper 'Creative Crafts' has been introduced by the Home Sc. Dept. in the II Sem. from AA Batch.

Five Interdisciplinary Career Electives- Career & Employment Training (Office Management Dept.), Basic Research Methodology (Bot., Chem., H.Sc. Dept.s), Executive Secretarial Practice (Office Management Dept.), Advanced Creative Crafts (Home Science Dept.) and Electronic Commerce (Dept. of Commerce) have been introduced in the V Sem.

Two new UGC Add- On Courses, 1. Certificate Course in Baking & Confectionery and 2. Certificate Course in French have been initiated. Obligatory General Education paper Human

Ecology is introduced in place of obligatory General Education paper Environmental Studies and General Elective paper Human Rights.

In place of Gender Development, Gender Studies is introduced and Chemistry for Daily Living is replaced by Chemistry for Everyone as General Electives. Basic Mathematics is renamed as Functional Mathematics. Science Technology And Development (STAD) is restructured as a one semester (VI Sem.) Paper.

New General Electives Introduced:

S. No.	Name of the General Elective	Department
1.	Business English, Communicative Grammar of English	English
2.	Household Chemistry, Chemistry for the Consumer	Chemistry
3.	Life Skills Management	Psychology
4.	Science Communication	Journalism & Mass Communication
5.	Commerce & Accountancy	Commerce
6.	Nursery Management	Botany
7.	Human Health Care	Zoology

Innovations in Teaching – Learning:

Peer Teaching, Group Activities, Group Discussion, Assignment, Snap Test, Viva, enactment of characters, debate – English

Creative Short Story Writing, Translation, Critiquing folk literature, modern poetry etc. - Telugu

Inter cultural exchanges and dialogue, auto-didactic techniques, teaching while learning – French

Special Lectures by experts on Human Rights, Comparative study on various forms of Government – History and Political Science

Power Point Presentation, Survey, Data Interpretation, Report Writing, Problem Solving, Project etc. – Economics

Theme based dress code and presentation, Role Plays, Poster Presentation, Review of Journal Articles, Case Studies, Movie Analysis – Psychology

Role Play, Power Point Presentation, Film making, Talk shows– Journalism & Mass Comm.

Group Discussion, Case Study - Commerce

Group Discussion, Seminar, Assignment, Project, Quiz, Power Point Presentation, Problem Solving – Mathematics

Assignments, Power Point Presentation, OHP, Teach While You Learn – Physics

Seminar, Quiz, Role Play, Assignment, Project, Journal Reporting, Guest Lecture, Power Point Presentation – Chemistry

Net meeting, Power Point Presentation, Project – Computer Science

ICT enabled teaching methods, Field Study, Field Experiments, Seminar, Assignment, Project, Quiz, and Power Point Presentation – Botany

Video Presentation, Power Point Presentation, Seminar, Assignment, Model Making – Biotechnology & Biochemistry

Library Assignment, Independent Learning Assignment, Gland Group Synergy, Field Diary/Inventory of Museum Specimens, Journal Reporting – Zoology

AUTO CAD practical in Interior Design – Home Science

ICT enabled teaching, Group Study, Assignment, Seminar – PG Departments

Projects Undertaken by Faculty: (1Major + 3Minor)

CHEMISTRY: (3)

1. Title of the Major Project: Chemical Characterization and Source Identification of Atmospheric Particulates in Visakhapatnam Bowl Area.

Name of the Faculty: Dr. K. Devendra Vijaya (Co-Principal Investigator)

Funding Agency: DST

Amount: Rs.5, 24,000/-

Duration: 1Yr.

2. Title of the Minor Project: Prediction of Chemical Speciation of Toxic Metal Ion Complexes of L-Proline and L-Valine in Low Dielectric Media.

Name of the Faculty: Dr. P. Bhushanavathi (Principal Investigator)

Funding Agency: UGC

Amount: Rs.4, 60,000/-

Duration: 2Yrs.

3. Title of the Minor Project: Assessment of Ground Water Quality of the First Industrial – Residential Confluence Area of Visakhapatnam.

Name of the Faculty: Dr. P. Sarada (Principal Investigator)

Funding Agency: UGC

Amount: Rs.4, 70, 000/-

Duration: 2Yrs.

MATHEMATICS (1)

4. Title of the Minor Project: Contribution to Fixed Point Theory in Cone Metric Spaces

Name of the Faculty: Capt. K. Sujatha (Principal Investigator)

Funding Agency: UGC

Amount: Rs.2, 00,000/-

Duration: 2Yrs.

Projects Applied by Faculty:

1. Title of the Minor Project: How Enriching is Science Education in Urban Schools? A Comparative Study on the Knowledge Level and Learning Abilities of the 3 Categories of Urban High School Learners.

Names of the Faculty: Dr. P. Aruna Devi, Dr. P. Sarada

Funding Agency: Child Rights and You (CRY)

Amount: Rs.1,00,000/-

Duration: 1Yr.

2. Title of the Major Project: A Comparative Study of the Incidence of Metabolic Syndrome Among the Post Men (in the delivery area) and other Postal Staff

Name of the Faculty: Dr. M. Sai Leela

Funding Agency: UGC

Amount: Rs.8,40,000/-

Duration: 2Yr.

3. Two Proposals have been put forward to APCOST seeking financial assistance for celebrating National Mathematics Day and National Science Day.

Student Projects

IIBSc. Student D. Sneha applied for summer project at Jawaharlal Nehru Centre for Science Res. (Bangalore) Fellowship. Title: Probability and Statistics, Dec.2013.

Summer Projects: Zoology Department assigned 3 group projects to IYr students to be studied in the summer of 2013. They are

1. A Survey of the Food Fishes off Visakhapatnam Coast.
2. A Study on the types and maintenance of Aquariums in Visakhapatnam.
3. A Study of the Effects of Physico-Chemical Conditions on Aquarium Fishes Under Controlled Laboratory Conditions.

Faculty Enrichment Programs

Faculty Forum: The first meeting of members of Faculty Forum (for the academic year 2013-14) was held on 27.06.2013. In view of the impending NAAC peer team visit it has been decided to focus on departmental preparatory work as a matter of priority. The first

session of faculty forum took place on 06.02.2014. Dr. Y. Fatima Rani, Librarian, spoke on her research topic, 'User Awareness and Access to Library Resources on Internet in Degree College (Autonomous) Libraries in Andhra Pradesh(India): A Survey'. Dr. Fatima explained how she identified the topic and also the methodology adopted by her. She then presented the findings of her study. Her inspiring talk was followed by an interactive session. Queries on sample size, data collection, F test and T test etc. were clarified. All the senior and junior faculty members participated in the session. The second session of faculty forum was conducted on 06.03.2014. Dr. G. Rama Lakshmi, HOD of Pol. Sc., presented her research to the faculty forum. She spoke on 'Women Leadership in Indian Political Process- A Case Study of Visakhapatnam District Constituencies, Andhra Pradesh in General Elections 2009'. The comparative study of various issues related to women in pre & post Independence periods was brought out lucidly and was appreciated by everyone.

Induction Program was conducted for Fresh Faculty immediately after reopening to familiarize them with autonomy, work culture at SJCW and professional ethics. The other faculty enrichment programmes include

- One Day Workshop on 'Personal Transformation and Value Development' for all the faculty members. Res. Persons - Dr. P. S. Annapurna, former HOD of Home Sc. & Dr. V. B. T. Sundari, HOD of History, June, 2013.
- One Day Workshop on 'Significance of Mentoring and the Role of a Mentor' for all the faculty members. Res. Persons - Dr. P. S. Annapurna, former HOD of Home Sc., June, 2013.
- One Week Workshop was organized for the faculty of PG Maths and Chemistry in Dec.(during MSE for PG students) to empower them in English language usage and to make them more articulate and communicative. Dr. Nalini Dutta, HOD of PG Eng. Dept. & Sr. Domonic, lecturer in PG Eng. Dept., were the Res. Persons, Nov.2013.
- A series of workshops on 'Effective Oral and Power Point Presentation of Personal and Departmental Profiles' were conducted for all the faculty members in the month of Nov. before NAAC Peer Team Visit. Res. Pers. – Ms. D. A. Ramani, HOD of Off. Mngmt. & NAAC Coordinator of the college.
- Fr. Prabhakar addressed the PG Eng. Faculty on Jan 31,2014 and enlightened them on 'Lesson Planning for PG Students'.

- DVS Yamuna- X1059 is a teacher at Ummal-Sulaina School.
- 3 PG Chemistry students secured lecturership and 2 of them became teachers. One is placed in Railways one of them got a bank job.
- 5 Students of Y- Batch got placement in Amazon. Com. And 2 students got placement in Dr. Reddy's Research Laboratories.

Outreach Initiatives:

PG Chemistry- The Science Education Programme, CASE, in which nearly 400 students of two nearby Govt. Schools participated .

UG Maths- The Vedic maths training programme, Mathematics, in which nearly 220 students of a nearby Govt. School participated.

SJC Rotaracts (15) lead a contingent of 200 girl students of Sacred Heart High School to Shri Shanthi Farm, Bhogapuram, for a training on Personality Development and Leadership conducted by Rotary Club.

Collected money for Uttarakhand Disaster victims and donated to them.

Students of Journalism Department served as volunteers at MAD (Make A Difference), an NGO working for Street Children.

Members of Science Club planted and nurtured Neem saplings around Chemistry laboratory. Home Science faculty demonstrated the low cost recipes to the members of World Vision on two different occasions.

Best Out of Waste is an outreach initiative of BA students. Students made artistic pieces and useful articles out of waste generated in their homes and sold them in the college. The money

was used to buy clothes and bed sheets which were distributed to slum dwellers in Gnanapuram.

Students of Home Sc. Dept. exhibited and sold greeting cards and innovative gift articles prepared by them.

Associations and Clubs:

ANALYTICAL SCIENCE ASSOCIATION (ASA): EXECUTIVE MEMBERS of the association for the year 2013-2014 include 1. President - Andleeb Iram (III BSc. MPC) 2. Vice President - Anusha Chivuluru (III BSc. MPC.S.) 3. Secretary - Rosina Nisha(II BSc. MPC.S.) and five members from MPC & MPC.S.

ASA comprising students and faculty from the departments of Mathematics, Physics, Chemistry and Computer Science has started its activities for the year 2013-14 with the Bohr's theory write-up competition commemorating the centenary of Bohr's theory. It was conducted for Intermediate students by the department of Chemistry. I Inter and II Inter students took part in the competition and presented many views of Bohr's model of atom in which a number of innovative additions to the theory were also made.

Department of physics conducted 'Identify the Scientist' competition in which students participated with enthusiasm and excitement. The month of September started with the plantation of Neem saplings by our seniors in the college premises.

On 22 December 2013 the department of Mathematics conducted Maths Quiz competition on the occasion of Sri Ramanujam's Birthday. Teams of 4 members were formed with a representative from all the 3 years students and the team members worked with synergy and made a spirited effort to win. The year 2014 started with the Puzzle competitions on 'Defence Search' conducted by the Department of Physics on 9th January 2014. About 62 students participated in the competition.

The department of computer science conducted a General Quiz on 25th January 2014. On 28th Jan 2014, Rubik Cube competition was held for the lecturers of the college, courtesy Chemistry department. This was followed by the Sudoku competition for the students on 3rd Feb. 2014. Department of Mathematics conducted a general quiz competition on 11 Feb 2014. 12 teams took part in it.
