WILDLIFE CLUB

ANNUAL REPORT

Objective:

To bring all the students together to take initiative for the protection of wild life community and also spread awareness to conserve and to inspire future conservative leaders.

Conservation of wild life is important for this new generation to learn that without the nature it's difficult to survive. Most of the world's species are on the track to go extinct in the near future. So, the prime purpose of this club is to make students learn and step up to these challenges.

OFFICE BEARERS:

2019-20:

PRESIDENT: Sharmila meesala III CBZ

VICE PRESIDENT: Neelima Krishna III CBZ

SECRETARY: Manvitha II CBZ

EDITOR: Sindhu.Y IIICBZ

TREASURER: R.Sai Mrudula IIICBZ

ACTIVITIES

1. 8 JULY, 2019: An informative mime by 22 third year CBZ students to spread awareness among students on conservation of wild life.

The students of final CBZ (22 students) have performed a mime about the conservation and protection of the wild life. They have depicted roles of different animals which are extinct and those are on the edge of getting endangered. Through this mime they have demonstrated two scenarios; where, in the first part the animals were free in their own habitats. Later in the process of civilization animals were killed by humans for their own greed by hunting and poaching for commercial purposes.

So, we have shown how important it is to protect the wild life and conserve it for the future generations because if one species get extinct it effects the whole food chain and thereby the nature.

2. 29TH July, 2019: observed as **International Tigers Day** (29 July) based on it a quiz competition was conducted by the club.

The wildlife club has conducted a quiz competition on the occasion of International Tigers Day (29th July). Eight teams from different streams have participated in the competition. Two rounds were held in the competition where, the first round was a normal round based on the Tiger conservation and facts about the tigers. The teams which have scored high were shortlisted and sent to the second round which was based on the current status of tigers in India. The winners were given away the certificates in the zoology lab.

Winners:

1. Tejasri.S, Kalluri Deepika Rani, Sudha Kumari –II MPCs
2. Sree kalyani, Sai priya, P.Sravani –II CBZ
3. Sharanya and team –III CBZ

3. 20TH August,2019:

Members of the wild life club and first year CBZ students conducted an anti mosquito drive displaying large number of charts in the zoology lab ,where students explained about how to identify different breeds of mosquitoes, how to prevent them from the neighbour hood, natural mosquito repellants and how to safe guard against mosquito bite. Students from different groups attended.

4. 27 August,2019:

The club had actively participated in the wall journal competition which was conducted by the student council on the theme “**Inclusiveness and togetherness**”. The members of the club had kept their efforts to make a self explanatory journal.

5. 19 SEPTEMBER,2019

A documentary for snake bite awareness and first aid tips was organized on the occasion of “**Snake Bite Awareness Day**” during lunch hour in zoology lab.

6. 12November,2019:

The club has conducted elocution competition on the occasion of world migratory bird day on the theme protect “**Protect birds, be the solution to plastic pollution**”. In the zoology lab.

WINNERS:

1. PRIYA KUMARI – III CBZ
2. DEVYANI SAHAI –III BBC
3. SREE KALYANI -II CBZ

7. 12 November,2019:

A poster making competition was conducted on the theme “**Be the solution for plastic pollution**”. In the zoology lab.

WINNERS:

1. SUCHITRA BISOI –III BBC
2. S.BHAGYA LAKSHMI –I CBZ

The club is planning to celebrate “**World Wild life Day (3rd March)**”.
