

## **Activities** **2014-2015**

- On September 8th Young India chapter of St. Joseph's College for 2014-15 was started in our college. A research laboratory in chemistry was inaugurated by Sr. Alice Marie, Correspondent of our college on September 30<sup>th</sup>.
- In December the student council conducted a Street Play Competition on the theme of Swachh Bharat, which has been launched by our Honorable Prime Minister Sri Narendra Modi.
- January is a month of celebrations in south India marking the harvest season. To celebrate the theme of Sankranti, the Council conducted a Muggulu Competition for students. A rangoli competition was organized for teaching and non teaching staff of the college. The response for both the competitions was very encouraging.
- Our students also actively took part in the essay writing and elocution competition conducted by A.U school of economics and one of our students bagged 1<sup>st</sup> prize in elocution. One of our students got the best presentation award in the United Nations International Youth day celebrations in Dr. L. Bullayya College.
- The month of November was filled with district level and state level events. Aditya Degree College celebrated National library week and conducted many competitions. Our students won prizes in Elocution, Essay writing and Painting competitions. During this month, our students actively took part in a state level commerce and management- "SAMANVAY-2014" meet hosted by Aditya Degree College, Vskp.
- Two of our students won prizes in an essay writing competition which was conducted by Anti-Corruption Bureau, Govt. of India on the occasion of Anti Corruption week. Prism College

conducted a youth fest “Varnahela” where 13 of our student’s bagged prizes under the categories, “Vendor’s Paradise”, “Face Graffiti”, “M.S Harbinger”, “code Crafty” and “Brand Czar”.

- A two day National chemistry fest was conducted in Loyola College, Vijayawada, where 10 of our B.Sc. students got prizes in various competitions. Our students also took part in Gitam Excellence Meet and District Youth Festival conducted by YMCA, securing many prizes.
- We all know that on October 6<sup>th</sup> a severe cyclonic storm Hud Hud hit the coastline of Visakhapatnam. Though the cyclone had a bad effect on every one of us, we Josephine’s did everything we could to bring the working of the college back to normal. Staff and students did shramdaan in clearing the debris, cutting down branches and trees and re-planting some of the trees.
- Different associations in the college hosted a variety of events, such as games, sale of hand made products, and sale of eats and so on to raise funds for the college. Donation boxes were placed in the campus and students contributed liberally.
- The month of January was eventful for all of us at St. Joseph’s as, 5 different clubs were launched to nurture the talent of students and to provide a platform for them to exhibit their multi talents.
- The clubs are the cultural club, literary club, talent club, theatre club and the quizzing club. It is visualized that these clubs will be the talent pools for students where they can perform, share and excel. Our college has also begun western instrumental music classes, where many students are learning to play guitar and key board under the guidance of Mr. Andrews.
