

ACTIVITY 1 :

Report:

On 7th August 2022 in Textiles lab we conducted an activity named **Handloom day** on the occasion of **National Handloom day** with all the 2nd and 3rd year Home science students along with the intermediate students and other groups of degree. We conducted this activity to bring awareness on handloom clothes and they wore different types of handloom sarees of different places.

WINNERS :

1st price : Ananya – 2nd BA EEP

ACTIVITY 2

REPORT:

GANESH IDOL MAKING:

We conducted this activity on the occasion of **Ganesh Chaturthi**. There are almost all the home science students who participated in the activity. We made them do the idol to make only with red soil because it brings awareness on how they can be made with natural soil and can decompose or use to plant a tree. It is only an activity to make idols but not a competition

ACTIVITY 3: PLATE PAINTING

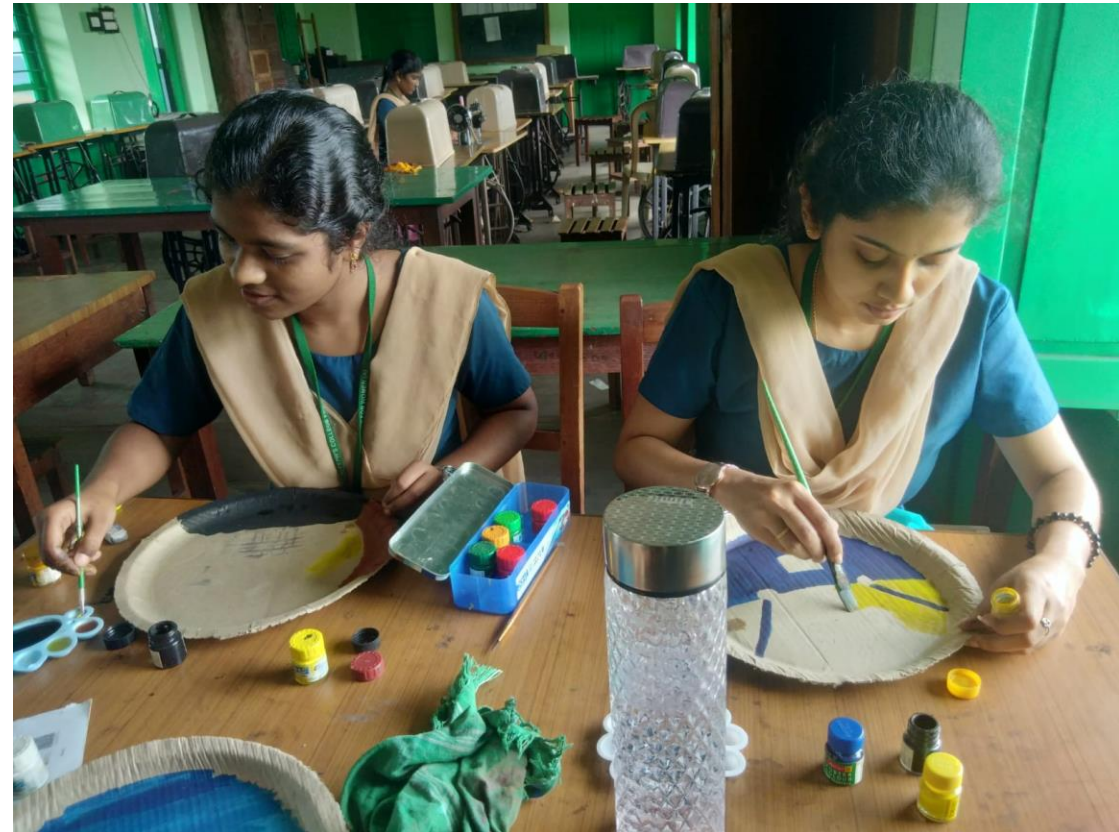

REPORT: we conducted this activity in Textiles lab on 13th September with 10 students. This activity is conducted to let them bring their creativity with paints and plates.
