Any Suggestions

- Mass Communication and Journalism syllabus needs to be revised and i hope there is a better faculty now for the subject
- SJC helps a lot in career building.
- Best experience in my life
- No suggestions as I am fully satisfied
- More clear detailed study
- More practical scenarios should be introduced in the syllabus
- Keep it up
- Need graduation ceremony
- Practical knowledge to be given more .. rest all aspects are very good
- Satisfactory
- No suggestions
- The standards of teaching is really good, we have been but in a disciplined manner both academically and professionally. But we are not able to apply any of it in real life. It would have been a little helpful if we would have got a practical experience like internships or industry trainings which would help us understand the real-life scenario instead of just bookish knowledge
- Nothing excellent in everything
- Perfect and practical
- All good.
- Improvement of hostel food is necessary
- It will be helpful if the management provides more number campus placement opportunities to BBA students
- Not required
- It would be really great if more internships are included in the curriculum.
- I feel if the college would have provided campus placements it would have been better.
- To enhance practical knowledge
- None. SJC is the best
- I am happy to be a josephine , there are no more suggestions
- Best college ever...
- The course selection sometimes doesn't help the students and sometimes the course lacks practical learning which makes the course learning process slow and boring
- Nice☐☐☐ college thank you♥☐ all my lecturers
- Inclusion of technology
- I would like to be back at St. Joseph's at any time, as the College has made me who I am today. The vibe of this place is amazing. There are no suggestions.
- Nothing to suggest because I have had a complete life at college.
- Need more subject involvement with live experience and visits
- The institution can include more optional papers for economics subjects such econometrics etc. Statistics and basic mathematics should be included for B.A courses pursuing economics also.

- No we miss the college
- Need more Infrastructure and research cell
- Id there's campus availability it'll good
- The syllabus may be revised to include latest developments. Field trips & study tours may be organized more for a better practical understanding.
- College offers a wide variety of skills which are required to get employment opportunities ...
- Provide more facilities to the students
- Good career in home science.
- Honors courses availability
- Initiating CRT programs would help the students
- It's an amazing place to grow
- It's a great place to build and explore ourselves
- Campus placements shd b more
- Its better to have graduation day instead of online meet
- More focus on international issues like the environment, women's contribution to peace and conflict management should be highlighted.
- The subject needs to be more comprehensive
- Sisters behaviour needs to be kind
- College is doing well.
- A safe and secure college for girls!!
- I would highly recommend St. Joseph College for Women because of its standard of class and education. All critics aside, I won't find another College where I can be so Independent and learn ethics as much as this college has taught me.
- There should be more practical exposure in the courses for better experience and knowledge
- Nothing to say
- Every course played its role in teaching new skills to us however it would be really if the Journalism faculty would stay stable without any changes. Being a journalism student I really expected the exposure in the respective field would be great in terms of placements and internships.
- It would be better if there were more young teachers as they would help in understanding the younger generation more.
- Keep up the good work
- Creating and designing new developments in Learning
- More focus on practical application of theoretical concepts (Especially in Journalism and Mass Communication)
- Kudos to the committed teachers. Keep up the good work
- Keep up the good work. Kudos to the committed teachers for the wellbeing of students.
- Keep improving more like this with new concepts and ideas
- Please maintain good quality food at hostel
- Hope our college maintains the same high standards for better growth of students
- College is good ☐

- D rapport between students and teachers is good
- Of course, the faculty is amazingly great.
- To have a gym. To create a sustainable student farm. Fostering a success-oriented mindset and sense of belonging.
- Place to learn and develop our skills
- Great efforts by the staff and sisters in academics
- Studying in SJC helped me become more patient and tolerant towards people and life.
