

**St. Joseph's College For Women (Autonomous) Visakhapatnam**  
**Reaccredited by NAAC**

**Employer Industrialist Feedback form on Curriculum**

**2018-2019**

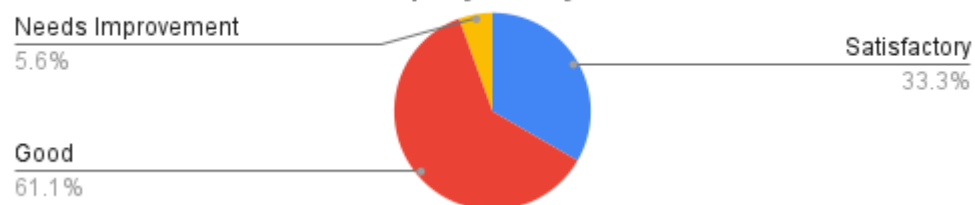

**Theoretical and practical applications**

**Inculcates Creativity & Innovative ideas**

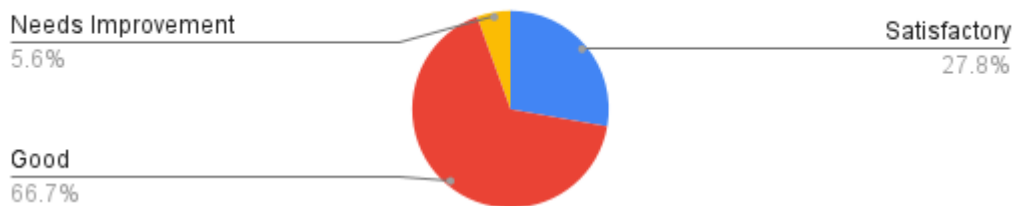

**Technical Skills for Employability**

### Inculcates Career oriented Skills

### Self Employment /Entrepreneurship oriented

Any other Suggestions
Please initiate establishing a skill development center for students to get hands-on experience
Very Excellent
A very good reputed college and one of the premier institutions in the state. I feel proud to say that
It is an excellent program
Good
Academic tours may be arranged for the practical knowledge of the students.
Conduct motivational classes and more remedial coaching for Students.
Life Skills to be inculcated in the curriculum.
The students who worked in our institutions are excellent and hard workers ...
Apart from regular studies encourage students to get more computer skills, ex: MS Office and excellent English-speaking skills.
It is suggested to send for technical training after completion of the theoretical study
