1. The preparation holidays for exams should be increased. 2. Usage of ICT tools for teaching difficult topics. 3. Labs should be provided with apparatus which are in working condition.

change the college timings

everything is good

to use more technology

MORE DIGITAL CLASSES

Reduce the college timings

field trips

I DON'T HAVE ANY PROBLEM WITH MY INSTITUTE

good teaching

GOOD TEACHING

preparation holidays should be given more

Teachers should encourage dull students to study more

this college is good no need for any objections

conduct some guest lectures

College timing should be reduced.

improve interaction between teacher and students

digital classes,

need extra faculty

need more preparation holidays

more practical example should be given

1. Books (English fiction) in the library should be updated. 2. College timings should be reduced. 3. More LCD tools should be used for difficult topics.

1. More preparation holidays should be given 2. Practical teaching should be improvised 3. College timings should be reduced

1)The students should be encouraged in every aspect not based on their marks so that they could do better. 2)the students should be provided with more practical knowledge rather than teaching ideally 3) The students should be given some active space on all grounds irrespective of their ability

1. college timing should be reduced. 2. practical examples should be given. 3. more preparation holidays should be given for exams.

College timings to be reduced. More preparation holidays should be given. College should also have the navy, Airforce NCC Units despite the Army Unit.

1. The teaching-learning process is magnificent and satisfactory 2. Fairness of the internal assessment 3. The teachers are always able to communicate effectively

1 Better Washrooms--- We already have a good one but could be turned into a better one. 2. More Preparation holidays---to prepare well with better examples for the exam 3. Grammer components in the languages could be increased.

1. by teaching every class with LED projectors 2. prayer class should be done daily 3. weekly seminar to be conducted about the awareness of social issues

1. checking notes regularly 2. completing the syllabus within time 3. focus should be on every student's capacity to study and behavior in class

1. Lab improvements 2. Completion of Syllabus 3. More preparation holidays for Semester exams

1.) syllabus should be completed thoroughly 2.) more preparation holidays for exams 3.) should be encouraged in all aspects

1. fairness of the internal evaluation process by the teachers should always be fair. 2. in every class led projectors should be provided 3. Weekly tests should be conducted

I suggest improving washrooms I suggest to extend the canteen I suggest keeping a sports period

more preparation holidays* more practicals exams improve labs

1. physics practical apparatus should be more accurate or renewed and the college library should be stored with the latest collection of fiction and general knowledge. 2. college timings should be shortened so that the students can find time for competitive exams. 3. there should also be a navy and air force wing in NCC

1. improve digital classes 2. focus on student experiences 3. seminar should be conducted weekly on social issues once

*more preparation holidays *more LCT class

1) Record works should be given in vacation holidays. 2) Need preparation time (a day gap) in between 2 exams for the end semester. 3) more preparation holidays

good with students always give their best to the student

more practical examples thorough preparations ICT class

1. improve digital class 2. focus on student experiences 3. Seminars should be conducted weekly to raise awareness of social issues

1. Uniform completion of syllabus according to students' level

1. focus on students' experiences 2. build positive relationships with students 3. learn more than the curriculum requires

1. Explanation can be better with lively examples. 2. Concepts can be explained deeply through ICT tools. 3. Teaching is good.

1. Putting tests on important questions in class 2. Make sure that students write the notes every day 3. Seeing that students are prepared well for the exam before the exams 4.

Extracurricular activities should be done well

1. By teaching every class using L.E.D. projectors

1. Grammer composition must be improved and lab apparatus must be appropriate 2. All students must be taught and seen equally without partiality with a reduction in college timings 3. More preparation holidays

1. More preparation holidays for exams 2. There must be at least one day gap between the exams 3. Grammer components in the language should be increase

1. more preparation holiday 2. ICT tools for difficult subjects 3. Interaction with teachers

1)By teaching use LED projections in every class 2) keep tests on important questions in class 3) Combining classes must be avoided

1. I suggest each classroom should be provided with an LCD projector 2. I suggest weekly or monthly seminars should be conducted on different topics

1. more preparation holidays for the exam. 2. syllabus coverage must be done fast so that, the student can clear their doubts. 3. more examples must be given while teaching.

1) more ICT tools can be introduced in the classes. 2) more seminars can be conducted regarding the subject topics. 3) Teachers' approach to teaching can be improved by conducting discussions regarding the subject topics.

1. More preparation holidays for exams 2. can be explained more clearly through lively examples 3. More practical exams should be conducted

*more preparation holidays *more practical labs *more seminars should be done in class

1. more lab hours 2. more preparation holidays 3. completion of syllabus

more preparation holidays college timings uniformly covering syllabus

1. half-day college 2. Provide more preparation holidays for exams 3. more practical examples should be provided for preparation

provide half days they should understand our problems computer labs must be more

1. half-day college 2. need more preparation holidays for exams 3. uniform coverage of syllabus

1. exam pattern should be explained well 2. ICT tools in difficult subjects 3. More preparation holidays

1. provide half days 2. more preparation holidays 3. more practical information will be there

1. interaction 2. ICT tools in difficult subjects 3. more preparation holidays

1. combining class should be avoided 2. All classes should be in LED 3. Prayer should be conducted daily

teachers must interact more with us half day college may make us concentrate more on our studies more preparation holidays for the end exams

1. Explanation should be easy and clearer 2. Need more class tests 3. Want ICT classes for more clear explanations in all subjects

1. we need a half-day collage 2. Some classes are not going properly. Recover that. 3. we want an excuse for some holidays

1. Teaching is very good but teachers have to interact with students. 2. Reduce college timings / declare half-day college. 3. More preparation holidays should be given then we can prepare well.

half day college ICT class must be conducted

1. preparation holidays should be increased 2. college timing should be decreased 3. lab classes should be increased

1. MORE ICT TOOLS SHOULD BE USED. 2. MORE PREPARATION HOLIDAYS SHOULD BE GIVEN. 3. UNIFORM SYLLABUS COVERAGE SHOULD BE DONE.

1. more preparation holidays for exams 2. uniform coverage syllabus should be done

*College timings should be reduced * ICT tools for difficult subjects * preparation holidays should be increased

1. I suggest providing a projector in every classroom 2. I suggest monthly field trips or internships for computer students 3. I suggest replacing old books in the library

want room for yoga preparation holidays for exams extend canteen neat and clean washrooms

more preparation holidays interaction with teachers' college timings should be reduced

1. Daily half days should be given 2. More preparations and holidays should be given 3. And practicals examples should be given more

more preparation holidays interaction with teachers collage timings should be reduced

prayer classes is to be conducted thoroughly seminar classes should be conducted weekly

twice about social issues any gender knowledge classes should be conducted weekly twice
