Suggestions if any
Online mode of teaching improvised usage of ICT tools
Provide LMS content as required to the students
More field visits would enhance students' insights
College should have its own LMS portal.
Satisfactory
No suggestions
Extra caution and medical supervision advised
We should include application-oriented problems in the curriculum
Online teaching learning helped online teaching learning improve the soft skills of faculty and students during COVID-19
The curriculum is always in line with the standards
Simple relevant and Implementable
