Suggestions If Any

20 responses

More facilities and equipment may be given to the department to successfully implement practical..

Make it more external evaluation...

No suggestions to be given...the courses and syllabus are up to date and knowledgeable and useful for the students for their higher education as well.

Update the Biochemistry syllabus on your website.

To maintain autonomy and NAAC, faculty should be recruited permanently

Please arrange an Industrial visit for students to understand the subject application better.

Please teachers will attend FDP Programmes which will give outcome-oriented teaching

Satisfied with the existing pattern.

Well done dear staff. May God bless you abundantly.

Very good Syllabus of

Give some more seminars to students to avoid their fear

Many more Industry experts need to be involved

As an Industrial expert I propose More of practical than than bookish knowledge
