WELCOME TO Pramana Research Journal

The Pramana Research Journal, E-ISSN : 2249-2976 is a monthly publication, with peer arbitration in Engineering, Science and Management. PRJ is an open-access, Multidisciplinary journal, driven by the belief that all types of knowledge must be globally available. Its target audience are original researchers who dialogue with the interdisciplinary theme in science, technology and management. The journal publishes unpublished research, of recognized theoretical rigor, intellectual and scientific relevance and that involves multidisciplinary discussions that revolve around four main thematic axes: Science, Engineering and Management.
