Green Initiative Committee Policy Document

Policy Number: SJCW019

GBM:01-08-2022

The Green Initiative Committee dedicated to fostering environmental consciousness and promoting eco-friendly practices, the committee spearheads efforts for conservation and sustainability within the campus.

Vision

- To implement eco-friendly measures within the campus, creating an environmentally sustainable environment.

Mission

- To raise awareness among students about environmental issues and sustainable resource management.
- To cultivate a sense of responsibility towards environmental preservation.

Objectives

1. To motivate students to maintain cleanliness and environmental hygiene.
2. To educate students on spreading awareness among the public.
3. To protect and conserve ecological systems and resources on campus.
4. To establish a plastic-free environment within the campus.

Policy

The Green Initiative Committee is responsible for overseeing various eco-friendly initiatives within the campus, including:

1. Maintenance of a clean campus environment.
2. Conducting green audits.
3. Proper disposal of hazardous e-waste.
4. Promotion of a green environment.
5. Management of solid and liquid waste.
6. Soil management.
7. Water conservation and management.

Practices

The committee implements the following practices within the campus:

1. Encouraging and training students to cultivate their plants at home.
2. Implementing paperless procedures to reduce paper usage.
3. Restricting automobile use and promoting bicycles/battery-powered vehicles.
4. Creating pedestrian-friendly pathways.
5. Implementing a ban on single-use plastics.
6. Establishing environmental protection display boards.
7. Maintaining cleanliness and minimizing waste generation.
8. Implementing water conservation measures such as rainwater harvesting and wastewater management.
9. Promoting eco-friendly activities and greenery on campus.

Outcomes

As a result of these initiatives, the campus achieves the following:

1. Pollution-free environment.
2. Plastic-free and eco-friendly atmosphere.
