12.00 pm	National Anthem	

“Quality and Excellence: Hallmark of St. Joseph's”

RATIONALE OF THE NAAC WEBINAR

Quality assurance is a by-product of ongoing efforts to define the objectives of an institution. Every HEI has to have a work plan to achieve these objectives and to specify the checks and balances to evaluate the extent to which each of the tasks is fulfilled. Hence devotion and commitment to improvement rather than mere institutional control is the basis of devising procedures and instruments for assuring quality. The Internal Quality Assurance Cell has to ensure that whatever is done in the institution for “education” is done efficiently and effectively with high standards. In order to do this, the IQAC will have to first establish procedures and modalities to collect data and information on various aspects of institutional functioning.

The coordinator of the IQAC has a major role in implementing these functions. The updated AQAR format devised by NAAC is in fact the NAAC Self study Report in a condensed form for One Year. As HEI’s we need to be more careful and vigilant not just in writing but proactively planning and engaging the stakeholders in productive personal and professional development. This National Webinar aims at giving greater clarity in our IQAC initiatives and translating them into an Objective Verifiable AQAR Document. We have amidst us Dr. Mrs. Sujata P. Shanbhag, Adviser NAAC, North Eastern Region a very knowledgeable, erudite, experienced yet humble Resource Speaker who will give us valuable inputs into the Webinar Topic. Thank you Dr. Sujata Mam for readily accepting our invitation to be the Resource Speaker for this Virtual Conference in collaboration with NAAC.

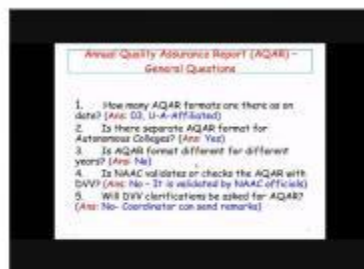

Report of the One-day National Webinar
In Collaboration with NAAC
Institutionalizing Quality through IQAC: Revisiting AQAR

Internal Quality Assurance Cell (IQAC) of St. Joseph's College for Women (A) Visakhapatnam, Andhra Pradesh, India in collaboration with NAAC has organized a One-Day National Webinar on the topic "Institutionalizing Quality through IQAC : Revisiting the AQAR" on March 6th 2021 from 10:00 AM to 12:00 PM through ZOOM. The target audience for this webinar were nearly two hundred who are academicians & faculty from colleges throughout the country. The resource speaker for the day was Dr Sujata P Shanbhag, Advisor NAAC, North Eastern Region. The Webinar started with the welcome note by Ms. D.A Ramani PRO of host college, followed by college prayer song. Dr. Sr Shyji Principal of the host college addressed the virtual participants. Dr. Y. Lakshmi Prabha, Head Dept of Home Science introduced the resource speaker to the participants where later the speaker took over the session.

Dr Sujata P Shanbhag, the speaker spoke the importance of IQAC its role and functions and how AQAR helps to consolidates the institutional data through her presentation. She reminded that IQAC is not just to collect data, but also to see the progress of the institution by organizing various activities for the enrichment of knowledge for faculty and students as well.

The Q & A session was moderated by Ms. D.A. Ramani, where lot of queries were asked by the virtual participants. To quote a few: How to track the Alumni of a college? Criteria 1 – question on date of introduction for courses in AQAR? Etc. Dr. Sujata P Shanbhag answered all the queries, where the feedback response was overwhelming. Finally, the session came to an end with Vote of thanks by Sr. Hema – Vice-Principal of the host college.
