## **Report**

**NAAC accreditation is essential for colleges. Besides certifying colleges, it also helps streamlining the education process. The process of NAAC includes 70% of system generated scores and 30% of peer team visits. College needs assistance for the both 70% & 30% component due to the new continuous accreditation methodology. WhiteCode is a pioneer Information Technology agency serving dedicatedly to fulfill needs of clientele with respect to web and software entails. For a decade we have successfully achieved to be one of the strong support in grooming the education sector bridging various gaps in the educational process.**

**We in St Joseph's College for Women have organized this workshop to facilitate knowledge sharing and discussion on the topic 'Restructuring the Website with NAAC Guidelines'. We have amidst the team on WhiteCode enlightening with the structure of the website as per NAAC guidelines. They bring to the table lots of experience and expertise.**

**The workshop started with the seven criteria of NAAC and how to incorporate in the website. They have given an onsite experience and how everything can be digitalized. Admissions, Examinations, Alumni Registrations, LMS, Feedback Mechanism etc. The workshop came to an end with vote of thanks by Dr. T Bhaskara Sudha IQAC Coordinator**
