

**St. Joseph's College For Women (Autonomous)  
Visakhapatnam - 530004**

*(NAAC Reaccredited & ISO 9001:2015, 14001:2015 Certified)*

**2.5.3: IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA)/Formative Assessment have brought in considerable improvement in Examination Management System (EMS) of the Institution**

## **ADDITIONAL INFORMATION**

- ✚ Processes Integration of IT in Examination procedures and Continuous internal assessment system
- ✚ Screen shots of IT integration in Examination procedures and Continuous internal assessment system

## **Examination Procedures:**

The examination procedures are reviewed and reformed from time to time in the Academic Council. The college adopted semester-based examination system with continuous evaluation. The Examination pattern consists of two components, namely, Continuous Assessment (CA) and Summative Assessment (ESE) with 40:60 weightage respectively.

CA consists of two mid semester examinations each for 15 marks, one accessory assessment for 5 marks and 5 marks for full attendance in semester. ESE is conducted for 60 marks towards the end of the semester.

The aggregate minimum for a pass in each course is 40% with a separate minimum of 40% for ESE. The college follows credits and grading system on 10-point scale. Students have the option to apply for revaluation. ESE results are published within 15 days of the final examination day.

College issues mark lists with requisite security features. Andhra University issues the final degree certificate. Grievance Redressal Committee (GRC) addresses examination related grievances. The college is also a member of the Academic Bank of Credits, encouraging students to maintain lockers for storing their course credits.

## **Processes integrating IT**

The college has been integrating IT across all functions of the Examination Cell (EC).

A computerized Examination Management System (EMS) is employed to improve efficiency, security, transparency and confidentiality, while speeding up the process aiding to declare the results within the stipulated time. It performs all the activities associated with evaluation like fee payment, hall ticket generation, conduct of examinations, results and statistics.

EMS generates personalized barcoded OMR answer scripts. Post evaluation marked OMRs can be scanned for result processing and reports are generated. After the approval of the Examination Committee, results are published on the college website. Students can download web marks statements online and obtain QR-coded mark memos from the examination section. CCTV Surveillance System in the vicinity of the examination cell and examination rooms curbs untoward incidents of malpractice and ensures strict vigilance. College registered in NAD Digi locker and uploaded students' data to maintain ABC accounts to facilitate credit transfer. EC generates cumulative certificates with 10 security features to prevent tampering and forgery of data. Direct verify portal in website facilitates student data verification online. During the pandemic, virtual mode was adopted for all meetings. Whatsap portal and website are employed for dissemination of examination information to stakeholders. Paper setters are advised to email the papers, saving time, money and minimising typographical errors.

## **Continuous Internal Assessment system**

CA consists of two mid semester examinations each for 15 marks (one offline and one online). Jaymas software used to conduct online mid exams provides results immediately for student verification. Question paper setting and valuation is completely internal for all CA and external for all ESE.

Variety and ingenuity are ensured in the 5 marks accessory assessment where faculty employ varied methodologies like online quiz, PPT, Mini project, roleplay to encourage student performance. 5 marks are awarded for full attendance in the semester. EZ School software is used to record regular attendance of students.

# STUDENT VERIFICATION THROUGH DIRECT VERIFY

The screenshot shows the homepage of St. Joseph's College for Women. The browser address bar displays 'stjosephscollegevisakhapatnam.ac.in'. The website header includes the college logo, name, and accreditation details (NAAC Reaccredited - ISO 9001:2015, 14001: 2015 Certified). Navigation menus for Home, Academics, Admissions, RTI, Committees, and Contact Us are visible. A grid of service buttons includes Online Payment, Examination, Alumnae, Examination Verification, SOW e LEARN, IQAC BLOG, NIRF, COVID 19, SJCW Bharat Padhe Online, SJC Language Center, Feedback Mechanism, Best Practices, Research & Consultancy, and Mous - 2022 - 2023.

This screenshot displays the 'Digital Document Service' interface for St. Joseph's College for Women. The URL is 'www.stjosephsvizag.directverify.in'. A progress bar shows four steps: 1. Select Service, 2. Enter User Details, 3. Check and Pay, and 4. Confirmation. Below the progress bar is a search box with the placeholder text 'Select or search a Service Category in the list...'. The top right corner contains links for 'IERF Digital Process', 'How it works?', and 'FAQ'.

The screenshot shows the 'Verifier Login' page. The browser address bar indicates the URL 'stjosephsvizag.directverify.in/verifier/#/page/login'. The page features a login form with fields for 'SJCWID', 'User Code', and 'Password', followed by a 'Login' button and a 'Forgot Password?' link. Contact information for support is provided at the top right: 'Email: support@docswallet.com' and 'Customer Support: +91-9344516161'. The footer contains 'All Rights Reserved © myeasydocs 2021' and links for 'Terms & Conditions', 'Privacy Policy', and 'Disclaimer'.
