Dear Sr. Mary,

Many thanks for your communication advising us about the reduction of Fees by 30% for this Semester. A few days ago, we have requested State Bank of California to remit you a sum of Rs. 191115. as detailed below.:

Second Year Degree students (Rs. 124150 less 30%)	86905
Third year Degree students (Rs. 148800 less 30%)	104160
Total Amount	191065
Rs. 50 added being the fees to be charged at your end	191115.

**The remittance will be received by you in the middle of next week.**

When we tried to read the revised statements sent by you, we could not find the total amounts for each of the academic years. After remitting the amounts, we could open your Statements fully. Subsequently, we noticed that our remittance fell short of the correct amount of Rs. 192395. This discrepancy was due to 30% reduction from the total amounts,

The short fall of Rs. 1280 will be remitted along with the FEES for additional students to be sponsored for this academic year.

Awaiting to hear from you soon in this regard.

Regret very much for the in convenience.

Sincerely yours,

Rama Rao Voleti

Dear Sir,

Greetings from St. Joseph's College for Women, Visakhapatnam. We are happy to know that you are nephew of Dr. Nalini Dutta, who is one of the best professor in our College.

We thank you for taking the initiative and coming forward to help our students who are deserving financial help in order to continue their studies.

- 1) The students have started their this classes on 5<sup>th</sup> August 2020. We have asked the students to pay the college fee from 1<sup>st</sup> September 2020. - 3) It will be great help if you can pay by 31.12.2020. We will start second installment in January 2021.

Hope we have answered your doubts,

Sister Mary,  
Merry Christmas to you and everyone at the college.

Earlier this morning, I had stopped by my bank and wired US\$5,000 into the account you had provided. At an exchange rate of Rs. 73.50, the US\$5,000 should translate to Rs. 3,67,500 approximately. With the holidays and upcoming weekend, the Bank mentioned there may be some delays in executing the transfer, and the money should be available in the College account before the year-end. Please acknowledge when the money is deposited in the College's account. I decided to make a single transfer rather than two to save on wire transfer fees. Please use this donation to pay for the students who need financial assistance the most. Let me know if you need anything else. Thank you.

Regards,  
-Ravi
