Dear Sir,

We would like to know the progress of both the First & Second year students. As they are about to move forward to the Second and Final year of graduation, we would like to remit the Semester Fees for all the students who have been receiving Scholarship assistance.

Further, we request you to suggest additional students for the First Year Degree Course in order to maintain a continuous stream of students for each year of the Degree Course for more years to come.

Kindly let us know current situation over there in view of the unusual circumstances being confronted due to the crisis created all over the Globe by the Virus.

We hope the situation over there is relatively under control and hope to return to normalcy as before.

Your early reply is very much appreciated.
