## **Academic and Administrative Audits (AAA)**

Before the academic year 2019-20, the Commissionerate of Collegiate Education (CCE), operating under the Andhra Pradesh State Government, was responsible for overseeing our college's yearly Academic and Administrative Audit. However, in recent years, the college has taken the initiative to independently continue this practice by collaborating with External Experts from renowned organizations. These experts meticulously examine various aspects of the institution, including its academic processes, administrative procedures, and overall functioning. A comprehensive report documents their findings, observations, and recommendations. This report is then submitted to the head of the institution for further evaluation and action. Notably, the college ensures transparency by making this report accessible to the public; it is uploaded on the college website, allowing stakeholders and interested individuals to gain insights into the college's performance and areas for improvement.
