### REPORT OF THE FESTIVAL

Onam is an annual harvest and cultural festival related to Hinduism that is celebrated mostly by the people of Kerala. A major annual event for Keralites, it is the official festival of the state and includes a spectrum of cultural events. Onam commemorates Vamana (the fifth avatar of Hindu deity Vishnu) and the generous but egotistical daitya king Mahabali. According to the Hindu legends, after Indra (the king of the devas) is defeated by Mahabali (the king of the asuras), the devas ultimately seek refuge in Vishnu, who agrees to restore Indra to power. This event was conducted on the college campus by the student council grandly with an Onam Pookalam competition. All of us yearn for a time like that of King Mahabali, a time when prosperity, joy, and love blended as we celebrated this event. Many of our students, teaching and non-teaching staff participated with full vigor to show the art of Onam Pookalam with various flowers to decorate the flower carpet with their talents, thereafter the prizes were distributed to the winners.
