The examination annual academic schedule for the academic year was prepared and displayed on the web site and notice board.

Assessment procedure

The student's performance in each course is evaluated based on continuous internal assessment for 40% and Summative assessment (end-semester examination) for 60%. Continuous assessment spread through the duration of the course. The Summative assessment towards the end of the semester.

Continuous assessment

Continuous assessment consists of two mid semester examinations (MSE), one accessory assessment and regular attendance during the semester. The 40% continuous assessment for all the papers in each semester was distributed as follows.

Mid Semester Examination I	15%
Mid Semester Examination II	15%
Accessory Assessment	5%
Attendance	5%

Mid Semester Examinations: The First MSE planned after 40 days post the beginning of the new semester, and the second MSE will be after 30 days, after the first MSE. The syllabus and model question papers for each MSE are decided by the respective departments. No second attempt at MSE will be permitted for students ineligible, due to absenteeism. No % pass minimum for MSE is required. MSE, I conducted in offline mode of one hour duration for 15 marks and MSE II conducted in online mode of 15 minutes duration for 15 marks. A question bank for each course prepared by the respective course teachers. Question papers of the prescribed format for each course generated using computer programs from the question bank in the master computer which is under control of CE.

Accessory assessment: Accessory assessment methods provide a greater degree of flexibility which enables the evaluation of a variety of skills and not just the memory-oriented skills tested by conventional examination system.

Attendance: Attendance is the physical presence of the student in the class/ laboratory / field work. It is a well-observed fact that the students who score good grades are those who attend the class / laboratory / field work, regularly. Therefore, the students must strive to attend all the classes without fail. Every faculty member handling a course will consider attendance till the last working day in the semester. Course wise percentage of attendance calculated by each course teacher up to this point and marks are awarded for regular attendance as follows:

% of Attendance	Marks
95-100	5
90-<95	3
85-<90	2
80-<85	1
<80	0

Summative assessment: Examination cell planned for regular and supplementary End Semester Examinations (ESE). These are conducted as per academic schedule. ESE is of three-hour duration for 60 marks. Payment of the required examination fee and 80% Attendance are mandatory to appear for the E.S.E.

Practicals: Practical are conducted regularly, and the student is assessed for every practical. Attendance and Submission of the certified record is compulsory to take up Practical E.S.E. Practical evaluation is completely internal and double evaluation. The formative assessment of practical is innovative and different departments follow different patterns to suit the needs of specific subjects.

Malpractice cases: The College invariably takes a serious view on unfair methods in all theory and practical examinations. Expulsion from the examination hall and cancellation of the performance in that paper is the immediate minimum punishment when found indulging in unfair practices in the examination hall by a student. If any student is found guilty of malpractice on more than one occasion during her tenure in the college, the student will be debarred and forfeits the seat. In all cases of examination malpractices, the decision of the Malpractice enquiry committee shall be final and binding.

Results declaration Process

- The Whole process of calculating the final marks is automated using computer program. After mid-semester examinations the final continuous assessment (CA) marks are submitted to the examination cell by the concerned faculty.
- After the End-semester examinations (ESE), both the CA and ESE marks are entered in the system.

The rules regarding pass minimum in theory and practical papers are as follows:

- There is no pass minimum for Mid-semester examination but the pass minimum for ESE is 40%.
- The CA and ESE when totaled shall be a minimum of 40% for the candidate to be declared as passed. If the student fails to secure pass minimum in the ESE she shall be considered as a failure even though her total may be above 40%.
- Mid Semester Exams and Accessory assessment will not be repeated if a student is absent.
- The student shall appear for the Supplementary Exam on the whole syllabus in the ESE model if she
 - is absent for both Mid Semester Exams.
 - is absent for the End Semester Exam.

 - fails to secure the pass minimum of 40% overall, (in continuous assessment + End Semester Exam) even though she has secured pass minimum in End Semester Examination.
 - In Practical paper the student shall be present for the CA test if conducted or be present for 80% of the classes in case of continuous assessment of the practical classes.
- After the entry of the data, individual mark lists of the students shall be printed out and checked.
- The semester marks list of the student indicates the papers of various courses, the marks obtained in CA and ESE, maximum marks, grades in different papers, credits obtained.
- Semester Grade Point Average (SGPA) is awarded to a candidate who passes all the subject papers in that semester.
- Cumulative Grade Point Average (CGPA) is calculated by the end of final year of study provided a candidate passes in all subject papers of all the semesters.
- CGPA multiplied by "10" gives aggregate percentage of marks obtained by a candidate.
- After this, the semester result for the batch shall be printed and checked. Statistics for the batch also shall be obtained for presentation to the Examination committee.

Implementation of CBCS

St. Joseph's College for Women (A) introduced the CBCS (Choice Based Credit System) as per the UGC guidelines w.e.f the academic year 2015-16. The courses can be evaluated following the credits and grading system. The grading system is better than the conventional marks system which will facilitate student mobility across institutions within and across countries and enable potential employers to assess the performance of students.

Letter Grades and Grade Points

- Among absolute and relative grading college adopted absolute grading. Under the absolute grading, the marks are converted to grades based on pre-determined class intervals.
- Depending on the aggregate percentage of marks obtained in the paper, specific letter grade shall be assigned for that paper which has grade points maximum 10 on 10-point scale
- A student obtaining Grade F shall be considered failed and will be required to reappear in the examination.
- For noncredit courses 'Satisfactory' or "Unsatisfactory' shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.
- Student should Achieve Aggregate 'P' Grade in each course for getting a degree.

% Aggregated marks	Description	Grade Letter	Grade points
90 - ≤ 100	Outstanding	O	10.0
80 - < 90	Excellent	A⁺	9.0

70 - < 80	Very Good	A	8.0
60 - < 70	Good	B⁺	7.0

Total minimum Credits for Undergraduate Programme

Credit is a unit by which the course work is measured. It determines the number of hours of instruction required per week.

- Part I (Foundation courses) -34 credits for all groups
- Part II (Core courses and skill enhancement courses) -104 credits for B.A. and B.B.A, 110 credits for B.Com., 125 credits for B.Sc. and H.Sc.
- Students can earn extra credits for their achievements in extra and co-curricular activities.

Computation of SGPA and CGPA

College adopted the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

Semester Grade Point Average (SGPA):

A Semester Grade Point Average (SGPA) for a semester is calculated as:

$$SGPA = \frac{\sum (C * G)}{\sum C}$$

- Where C= Number of credits for the subject paper
- G= Grade points obtained by the candidate in that subject paper
- Semester Grade Point Average (SGPA) is awarded to a candidate who passes all the subject papers in that semester.
- Cumulative Grade Point Average (CGPA) is calculated by the end of third year using similar formula provided a candidate passes in all subject papers of all the six semesters.
- CGPA multiplied by "10" gives aggregate percentage of marks obtained by a candidate.
- The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.
- Transcript (Marks list): Based on the above requirements on Letter grades, grade points and SGPA and CCPA, the college shall issue the transcript for each semester and a consolidated

transcript indicating the performance in all semesters.

- Subject wise Marks List will be issued to the students within a month, after every Semester End examination. At the end of the final semester a Cumulative Marks List with requisite security features duly endorsed by Andhra University will be issued along with Provisional Degree Certificate.
- The Final degree certificate is awarded by the Andhra University, however, will be issued by the college after receiving the same from the Andhra University.
