471 responses

21. Give three observations/ suggestions to improve the overall teaching-learning experience in your institution 471 responses

Good

.Good

Everything is good

All good

Excellent

Very good

Excellent

The teaching-learning experience is quite alright though the environment created around this learning arrangement could be more student-friendly.

Yes

Every teacher has ways of understanding the students to help us even better while studying

Explanation is great

The main exam should be conducted on alternate days as it takes a toll on the students and not able to give their best

Feeling great learning new things here hoping for the best future ahead

Very Good

Daily Digital classes would be helpful

Coordination Communication

No complaints

Need more psychology books in the library

There are no suggestions everything is fine

Complete the units before the exam

Good communication is required

Excellent teaching with good communication skills

Patience more communication responsibility

Need more and clear explanation Thorough observation of every student Revision of the syllabus needed

We want time to time gap for completion of assignments and records

To interact with students more often

Perfect

Give the better experience

Skill course lectures,

Identify the weakness of the students

Should complete syllabus in a given time

Good well

Need More interaction of faculty with students

To use more ICT tools

1. Interaction/communication 2. Observation 3. Activeness

Everything is good

1. Class tests should be there 2. Asking questions before class 3. Teachers should identify and observe the student's performance in subjects

● They should encourage students. ● They should know the reason of students' mistakes in studies and should solve them ● Not only in studies, they should be encouraged in everything.

No emphasis on understanding the concept is given Teachers teach for completion of the syllabus only without focusing on learning Classes should be interactive rather than being a monologue

Teachers have to improve their teaching by explaining in simple ways

No suggestions It's nice No Need to change anything

Should be clear and should be spoken in English

All good

Nothing everything is good

Clearly explain well in projectors

It was a good experience

It's good Hope it stays best

Some students suggested improving the sports department.

None

They need to understand students' situation

Better environmental conditions

1. Please Explain in English and Telugu language 2. Give time to ask the doubts 3. Better communication skills

Interaction with students a little bit more

No problem

Everything is satisfactory

Explain thoroughly about the topic and give us a clear explanation

Yes

Nothing to say as it was a good

The inclusion of field trips for Arts students will be appreciated. The rest of them are good.

Friendly relationship with students helps them to communicate more effectively

Should be student-friendly and should treat everyone equally not based on seeing faces and wearing marks

Physical activities for better development, Making to Understand the concept mostly by practically

No improvement is required everything is perfect

All teaching is good nothing is there

Teachers have the patience to explain again, No partiality. No judgments.

Not to rush the syllabus Rest everything is great

Not sure
