Mathematics	Araku	22	II B.Sc Maths Major & II M.Sc Mathematics	The purpose of the visit to Araku Valley for mathematics students is to provide an enriching blend of learning and exploration outside the classroom. It offers students the chance to observe mathematical patterns and shapes present in the natural environment, such as symmetry, fractals, and geometry in plants and landscapes. The trip encourages the practical application of mathematical concepts by connecting theory with real-world observations. It helps develop students' problem-solving, analytical, and critical thinking skills through interactive group tasks and activities. The visit fosters teamwork and communication as students collaborate on projects and discussions during the trip. It provides an opportunity for students to engage in hands-on learning, making mathematical ideas more engaging and relatable. The scenic setting of Araku Valley also supports students' mental well-being by offering a refreshing break from routine academic life. It promotes creativity and curiosity, inspiring students to think beyond textbooks and explore mathematics in everyday surroundings. The trip serves as both an educational and recreational experience, balancing academic goals with enjoyment. Overall, the visit aims to motivate students to appreciate the beauty and relevance of mathematics in the natural world and everyday life.	02-08-2025

Mathematics	Mathematics Day	15-12- 2024	<p>The purpose of the Mathematics Day Celebrations was to honor the birth anniversary of the renowned mathematician Sri Srinivasa Ramanujan. The event aimed to inspire students to develop a passion for mathematics and appreciate its significance in everyday life. It provided a valuable platform for students to showcase their mathematical talents through engaging and intellectually stimulating competitions. The programme sought to foster logical reasoning, numerical ability, and creative problem-solving among the participants. Activities such as quizzes, Sudoku, emoji arithmetic, and identifying Indian mathematicians made learning interactive and enjoyable. The celebrations encouraged active student participation, teamwork, and healthy competition within the department. They aligned closely with the college's mission of promoting academic excellence and holistic student development. The event aimed to build students' confidence in applying mathematical concepts beyond the classroom. It also highlighted the importance of recognizing India's rich mathematical heritage and contributions. Overall, the Mathematics Day Celebrations intended to create a memorable, enriching experience that strengthens students' love for the subject and promotes a deeper understanding of its relevance.</p>	42

BEST PRACTICE 2-	DIGITALISATION OF ZOOLOGY MUSEUM
OBJECTIVES	<ul style="list-style-type: none"> • The objectives are to preserve the specimen’s valuable information, enhance accessibility for research and educational purposes, and facilitate the sharing of information. • Digitizing zoology museum collections, ensures that these valuable resources are preserved for future generations and made accessible to future generations, fostering a deeper appreciation and understanding of biodiversity.

DESCRIPTION	<p>The Zoology Museum is an important teaching resource for the Department of Zoology. It has a collection of 400 specimens belonging to the different phyla highlighting the diversity of animal kingdom. The museum is well organised and displayed with labels of the exhibit. The museum has a vast collection of corals, Molluscan shells, insects, and Echinoderms. Among the vertebrates there is a vast collection of Amphibians, Reptiles and Mammals. Some of the rare collections amongst the Invertebrates include Euplectella-Venus flower basket, Hyalonema-Glass rope sponge, etc.</p> <p>The importance of digitalisation lies in preserving the specimens for future generation of learners. By making museum collections widely accessible, digitization bridges gaps between researchers, educators, and the general public, fostering a deeper understanding and appreciation of zoological diversity.</p> <p>Along with the physical collection, Digitization helps preserve the physical specimens by reducing the need for handling. By scanning these QR codes, students, faculty, and visitors can instantly access specimen-related information hosted on the college website. This practice not only enhances interactive learning but also promotes environmental awareness and research opportunities.</p>
Generating QR Codes:	<p>Generating QR Codes:</p> <ol style="list-style-type: none"> 1. QR Code Generation: Unique QR codes were generated for each specimen linking to its digital profile hosted on the college website or cloud storage. 2. Label Installation: QR codes were pasted on the specimen bottle for easy access 3. Testing and Validation: All QR codes were tested to ensure functionality and proper linkage to digital content.
Outcomes	<p>The outcomes of digitizing a zoology museum are quite significant and multifaceted:</p> <ol style="list-style-type: none"> 1. Educational Benefits: Digital platforms can be used for teaching and learning, providing interactive and multimedia resources that enhance the educational experience. 2. Enhanced Accessibility: Digital collections can be accessed by researchers, educators, and the public from anywhere in the world. 3. Improved Preservation: Digital records reduce the need for physical handling of specimens, which helps in their preservation.

Future Plans:		1. To include 2 more theory and laboratory courses in fifth semester
		2. To launch an LMS course titled Physical Chemistry on the SOWeLEARN platform
		3. To start EAMCET and JEE coaching for intermediate learners
Name of the Dept.:		Computer science
Future Plans:		1.To Organize workshops and seminars from experts. 2. To develop useful software for the organization. 3. To train students in various other areas, which help them in facing the interviews apart from the curriculum. 4. To train and motivate students to be Entrepreneurs.
Name of the Dept.:		Botany
Future Plans:		Upgradation of existing laboratory facilities in accordance with the revised advanced Curriculum of BSc Botany Honours Course as per NEP and APSCHE
		Establish one more laboratory to accommodate increased number of students in Inter and Degree classes.
		Re-establish and Standardize Mushroom cultivation unit
		Conduct more guest lectures and student workshops
		Construct a green house or Polyhouse
		Conduct more field visits
		Need to recruit one more lab assistant
		Establish a proper specific Botanical garden
Name of the Dept.:		ZOOLOGY
Future Plans:		1) Overall improvement of departmental infrastructure
		2) To organize Conferences, Seminars and Workshops
		3) To start Virtual Lab in Zoology Department
Name of the Dept.:		Biochemistry
Future Plans:		Improving laboratory facilities to suit analysis of biological samples
		Conduct interactive and participative workshops to enhance skills of students
		Introduce bioinformatics to study biochemistry as in Molecular Modeling
		Introduce Immunology related studies to create awareness on the scope of Biochemistry

		Enrich fundamentals in Biochemistry and also create exposure to Latest trends like Protein engineering to fit the needs of Industry
Name of the Dept.:		Biotechnology
Future Plans:		To facilitate the students to learn more instrumentation
		Increase field trips to reaserch labs
		Organizing more workshop that strengthen the student capability in subject area
Name of the Dept.:		Home Science
Future Plans:		To add more equipment
		To introduce more value added/certificate courses
		. TO HOST A CONFERENCE
		TO EXPLORE POSSIBILITY OF ORGANIZING CAMPUS RECRUITMENT OF HOME SCIENCE
		TO EXPLORE FEASIBILITY OF CONDUCTING A MULTI-DISCIPLINARY RESEARCH PROJECT
		To conduct FDP for Home science faculty across the nation.
Name of the Dept.:		AGR
Future Plans:		Sustainable agriculture
		Improving soil health by applying organics
		IPM and IDM
		Preparation of organic manures and botanical extracts
		Pultivation of cucurbits and solanacae family crops
		Seed treatment with biofertilizers
		practical learning and field exposure
		skill development and entrepreneurship

I.H Over all Department Analysis

Dept.: English	
Strengths	1.Streaming of students based on their linguistic proficiency (UG)
	2. Continuous assessment of the students
	3. Well-equipped college and departmental libraries
	1. Constant turnover of faculty
Weaknesses	2 Heterogeneity of students in Gen. English classes
	3. Large size of Classes
	1. Growing popularity and interest in English as a medium of communication
Opportunities	2. Use of language Lab
	3. Scope of Professional growth
	1 To deal Heterogeneous groups
Challenges	2. To handle vernacular learners
Dept.: psychology	
Strengths	<p>The students of the Department of Psychology conduct case studies/project. Students of the third-year undergraduate course, second year postgraduate course enjoy this practice of the Department.</p> <p>2. The Postgraduation students of the Department of Psychology also pursue a one-month internship where they are placed in different fields in Psychology and learn and execute the necessary skills to prepare them for a career in the field of Psychology.</p> <p>3. The faculty of the Department of Psychology engage in outreach/extension programs, wherein they give guest lectures and keynote addresses in other institutions and organisations.</p> <p>4. The faculty of the Department of Psychology also have/are pursuing course certifications to further equip themselves to better their knowledge and teaching methodologies (MOOC, MEd, Therapy certification)</p> <p>5. Sahay- The headliner of the Department of Psychology, is a counselling and guidance cell run by the faculty of the department. It caters to the emotional, mental and career wise needs of the students and offers them support to self-actualise and be the best versions of themselves.</p> <p>6. Mindscope- The Department club, strives to dispel the misconceptions regarding the field of Psychology, and conducts various activities that brings together all the Psychology enthusiasts.</p>
Weaknesses	Lab facilities should be improved.
	Library books availability
	Opportunities for field visits
Opportunities	PG and diploma and certification courses.
	Conferences and workshops at national and international level
Challenges	Field visits less opportunities
	Practical exposure is limited.

Dept.: Political science	
Strengths	1 Student admissions in Political Science Major is satisfactory
	2 Relevent syllabus according to needs of the society
Weaknesses	1 Single member departmant/ staff not available to teach.
	2 Predominately first generation learners
Opportunities	1.To write competative exams
	2 .To know about practical politics and avail right to vote
Challenges	1 Single member faculty
	2 Staff are not available to teach.
Dept.: economics	
Strengths	All the teachers in the department are highly qaulified with PH.D & SET
Weaknesses	STUDENTS COME FROM DIFFERENT GROUPS OTHER THAN ECONOMICS
Opportunities	After completion of the course student are enabled to enter into different fields as UPSC – IAS, IES,IFS ,Group one, group two service employees, Teachers, lawyers, bank employees etc.,
Challenges	It is a big challenge to attract students those who come without basic knowledge of economic terminology.
Dept.: Commerce and Management	
Strengths	
	1. Experienced faculty
	2. Highly Qualified and ratified(by Andhra University) Faculty
	3. Personality Development sessions for students
Weaknesses	
	1.Students from different background
Opportunities	
	1. Innovative Teaching and pedagogical Methodology
	2. More Seminars by students and paper presentations
	3. conducting carrier development programs
Challenges	
	1. Students attitude and Behaviour
	2. Attendance shortages
Dept: TELUGU	
Strengths	This year more than 120 students joined 2nd Language Telugu

Weaknesses	Special room is not available for to conduct Special Events.
Opportunities	Radio jockeys, Telugu Translators, Reporters.
Dept.: hindi	
Strengths	Faculty with good academic and research background.
	Ability to mentor and inspire students effectively.
	Having the expertise of conducting 15 National, International Conferences & Workshops
	Rich cultural and literary Heritage -Opportunities to explore classical and contemporary Hindi literature
Weaknesses	Students often lack clarity about career options available through Hindi beyond teaching or Govt jobs.
	Removal of Hindi in UG second year
	Perception of Hindi as a Non Professional or Non Global subject compared to English or STEM fields
Opportunities	1.Introduction of Career oriented Courses - Journalism , Translation, Creative writing in Hindi . 2.UGC Sponsored certificate courses.
	Starting You Tube channels or blogs for Hindi content creation.
	Participaion in Inter college competitions cabn boost the department's reputation
Challenges	Growing inclination towards professional, skill based or English medium courses.
	Bright students may shift to other departments offering more lucrative or "in demand " courses.
Dept.: SANSKRIT	
Strengths	
	Competent and dedicated faculty Regular conduct of diverse academic and co-curricular activities
Weaknesses	Insufficient faculty strength
	Lack of a B.A. Sanskrit program
Opportunities	
	Highly enthusiastic and motivated students
	Growing interest in Sanskrit typing skills
	Increasing demand for Spoken Sanskrit knowledge
Challenges	
	Limited opportunities for higher studies in Sanskrit
	Difficulty in attracting students due to fewer career prospects
Dept.: mathematics	
Strengths	1. Expert Faculty: A strong department will have experienced and knowledgeable faculty members who are dedicated to teaching and research. 2. Comprehensive Curriculum: A well-rounded curriculum covering core Mathematical and Statistical topics, along with opportunities for specialization,

	can be a significant strength.
	3. Research Opportunities: Offering undergraduate research experiences or partnerships with faculty can enhance students' academic growth and foster interest in advanced studies.
	4. Supportive Learning Environment: Providing resources like tutoring, study groups, and academic advising can create a supportive learning environment for students.
Weaknesses	1. Limited Resources: Budget constraints or inadequate facilities can limit the department's ability to offer diverse courses or research opportunities.
	2. Faculty Shortages: A shortage of qualified faculty members can affect the department's ability to offer specialized courses or provide sufficient academic support.
	3. Curriculum Gaps: Outdated or insufficient curriculum may not adequately prepare students for modern applications of mathematics and statistics.
Opportunities	1. Interdisciplinary Collaborations: Opportunities to collaborate with other departments (e.g., computer science, economics, biology) can enrich the curriculum and expose students to diverse applications.
	2. Technology Integration: Embracing innovative technologies (e.g., data science tools, interactive software) can enhance teaching methods and prepare students for evolving careers.
	3. Industry Partnerships: Developing partnerships with industry can create internship opportunities and inform curriculum development based on industry needs.
Challenges	1. Mathematics Anxiety: Addressing student anxiety or apprehension towards mathematics and statistics can be a challenge that impacts retention and academic performance.
	2. Recruitment and Retention: Attracting and retaining diverse student populations, especially from underrepresented groups in STEM fields, can be challenging.
	3. Adapting to Change: Keeping pace with advancements in mathematics, statistics, and educational methodologies requires continuous adaptation and professional development.
	4. Global Competition: Meeting the demands of a competitive global academic landscape while ensuring high-quality education and research standards.
Dept.: physics	
Strengths	1. The faculty of the department are Doctrates and MPhil holders
	2. The laboratories are fully equipped
	3. For minor groups as the number of students is less more personalized attention and mentoring
Weaknesses	1. MPC and MPCs groups are combined, students teacher ratio is more
	2. One more faculty is required for the present workload
	3. Lack of major program limits the department growth
Opportunities	1. As students are focused on internships ,more job opportunities are available
	2. After 4 yr BSc course students have opportunity to join in second year PG course directly
	3 . Department can collaborate with other science department to offer Applied Physics course

Challenges	1. Faculty should be oriented to learn New Curriculum
	2. Internships must be assessed by suitable experts from Industries and Academics
	3. To teach students circuit connections and soldering of wires
Dept.: chemistry	
Strengths	1. Availability of senior faculty
	2. Well equipped laboratories
Weaknesses	1. Not many girl students opting for Chemistry course
	2. Lengthy experimental procedures & shortage of laboratory time
Opportunities	1. To conduct ecofriendly initiatives through RRR club
	2. To start coaching for APPGSET
Challenges	1. Too many Chemistry courses in III, IV & V semesters.
	2. Few jobs in chemical & pharma industries for girls
Dept.: computer science	
Strengths	"1. Experienced & Committed Teachers 2. Well-equipped lab with internet facilities 3. Motivating and dedicated faculty members 4. ICT enabled teaching "
Weaknesses	"1. Faculty with less experience but dedicated to their work 2. Need professorial ranked faculty to support department "
Opportunities	"1. To increase campus placements/Entrepreneurship 2. To train students to face entrance tests like MCA, M.Sc. and MBA 3. Interdisciplinary growth across departments"
Challenges	"1. Organization of Seminar/Conference 2. Placing the students 3. Updating latest developments in the field of computer science "
Dept.: botany	
Strengths	Well developed curriculum as per NEP & APSCHE with Botany offered as Major and Minor subject

	Well qualified faculty with student centric T-L-E Systems
	Good Infrastructure with well equipped laboratory facility and and availability of Specimens
	Mentoring with accessible student- centered faculty
	Easy progression for higher education. Better employment opportunities in Govt.& private sectors. Partnership with other institutions and exchange programmes
Weaknesses	Diversification of academic options
	Insufficient laboratory facilities
	No specified botanical garden
	Lack of additional laboratory and lab assistant
Opportunities	Introduce New Certificate/ online courses in Botany
	Establish proper botanical garden
	Develop a Green House or polyhouse
	Establish a proper Mushroom cultivation unit
Challenges	Difficult in industrial collaborations
	Non-availability of some faculty continuously for a long spell of time without a substitute faculty
	Inculcating interest in basic Science in Botany subject among the new students
	Poor coordination of the faculty
Dept.: zoology	
Strengths	Digitalisation of Zoology Museum
	Cordial relationship between teachers ,students and parents
	Efficient, sincere and hardworking team of faculty members, many of whom have talents other than teaching.
	Special emphasis on field trips and study tours
	Excellent academic results with consistent Pass percentage
	Innovative Teaching learning techniques for upgrading the knowledge of the students.
	Well maintained Museum
Weaknesses	Need to improve scientific temperament for research activities among UG students
	Career prospects in teaching,research,diagnostic fields etc.
	Strive as the best department of college
Opportunities	Establish proactive and collaborative approach to enhance the departmental profile.
Challenges	Strive as the best department of college
	Establish proactive and collaborative approach to enhance the departmental profile.
Dept.: bio-chemistry	
Strengths	Limited number of students
	Hands on experientail learning- Learning by thinking and doing
	Innovative teaching learning techniques
	Outcome based teaching with focus on feedback for every activity
Weaknesses	Laboratory facilities need to be improved

Opportunities	Scope in pharmaceutical industry and Food industry
	Can go for higher education and venture into research field
Challenges	In getting acquainted with latest techniques and trends in the field of Biochemistry
	1. Highly committed faculty
	2. Well designed curriculum
	3. Effective communication skills
	4. Enrichment of curriculum from time to time by adopting inputs from national/international happenings
	5. Tech – enabled faculty
Dept.: Bio technology	
Strengths	1. Hands on experience for 'Tissue culture, Electrophoresis & PCR'
	2. Techniques of Nursery and construction of Hydroponics systems
	3. Innovative practicals
	4. Well equipped laboratory
	5. Direct exposure of students to industries
Weaknesses	
	1. Real time biological activities of bio-molecules to be strengthened
	2. More campus drives to be done related to core subjects
Opportunities	1. Immense encouragement for numerous workshops
	2. Frequent interaction with subject experts through guest lectures
Challenges	1. Designing commercial protocols in tissue culture
	2. Initiatives to design low molecular weight proteins through in silico methods.
Dept.: Home science	
Strengths	1. Space constraint
Weaknesses	1. Be able to work in collaboration with various
	2. NGO/ Organizations/Government departments
Opportunities	1 Highly distracted student population
	2 Not very supportive public perception of the discipline
	Limited number of students
Challenges	Hands on experientail learning- Learning by thinking and doing

	Innovative teaching learning techniques
Dept.: AGRD	Outcome based teaching with focus on feedback for every activity
Strengths	
	Laboratory facilities need to be improved
Weaknesses	Scope in agriculture industry and allied industry
	Can go for higher education and venture into research field
	Banking sector
Opportunities	In getting acquainted with latest techniques and trends in the field of Agriculture
Challenges
