1 . GO CLOTH GO GREEN

In July 2024 we conducted the first activity REUSE REDUCE RECYCLE club . The activity is “Go Cloth, Go Green” promotes the use of eco-friendly cloth products as a sustainable alternative to plastic. Cloth bags, clothing, and household items made from natural fibers help reduce environmental pollution and encourage a greener lifestyle.

2.REWIND MEMORIES

In August 30 2024 we conducted the activity REUSE REDUCE RECYCLE club . The activity is Memories are like time machines that take us back to moments filled with joy, love, laughter, and even lessons. Rewinding memories allows us to cherish our past experiences, reconnect with our emotions, and reflect on how far we've come.

Winner : R .Gowri Preethi(1st year Major chemistry)

3.FLOATING FRENZY

In October 25 2024 we conducted the activity REUSE REDUCE RECYCLE club .It is a fun activity.

Winners : Manasa (SJC)

Runner: Caleb (Pullayya college)

4.Navy Marathon

In December 15 ,2024 we conducted the activity REUSE REDUCE RECYCLE club . A Navy Marathon is more than just a race—it's a test of endurance, discipline, and commitment, reflecting the core values of the naval forces. Whether organized for fitness, charity, or to honor servicemen and women, such marathons symbolize resilience, teamwork, and national pride

5.Marathon on awareness of cancer

In Febraury 4,2025 we conducted the activity REUSE REDUCE RECYCLE club. A Marathon for Cancer Awareness is more than just a race—it's a powerful movement to educate, support, and inspire those affected by cancer. Such events bring communities together to spread awareness, promote early detection, and raise funds for research and patient care.

6.MATCH THE PUZZLE:

We conducted the activity of REUSE REDUCE RECYCLE club . The activity is “Matchstick puzzles” are classic brainteasers where a set number of matchsticks are arranged to form shapes or equations, and the challenge is to move, add, or remove a certain number of matchsticks to achieve a specific goal. These puzzles are excellent for enhancing problem-solving skills, spatial awareness, and creative thinking.

Winners: Shyrley (3sec)

Runners: Sai Sharmila (9sec)

7.SENSE YOUR FRIEND :

We conducted the activity of REUSE REDUCE RECYCLE club . The activity is 'SENSE YOUR FRIEND. In a heartwarming experiment, individuals attempted to identify their partners solely through the touch of their hands while blindfolded. The results showcased the profound bond and familiarity between long-term partners.

Winners :Nalina ,Meghana (2nd inter,MPC,3sec)

Runners: Harshitha, Dishita (3rd agriculture,5sec)
