

**St. Joseph's College For Women (Autonomous),
Visakhapatnam**

NAAC Accredited with 'A' Grade & ISO 21001:2018, 14001:2015 Certified

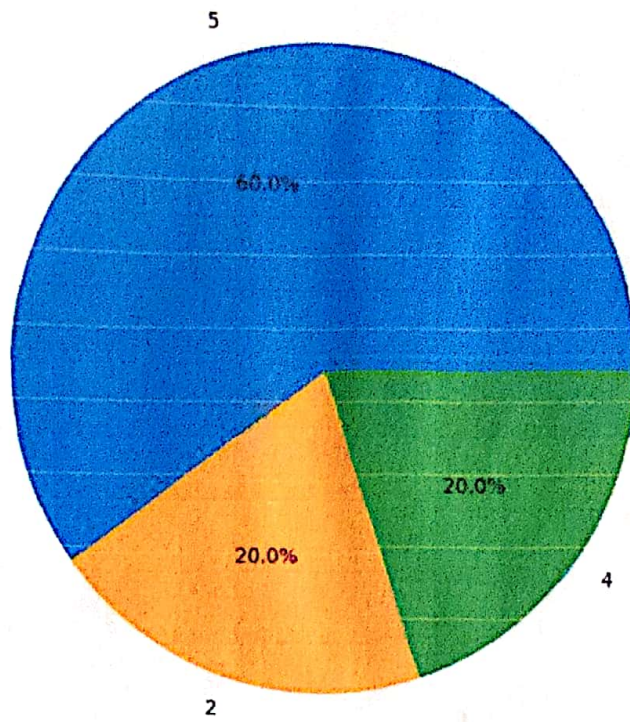

Feedback From Alumni

2025-2026

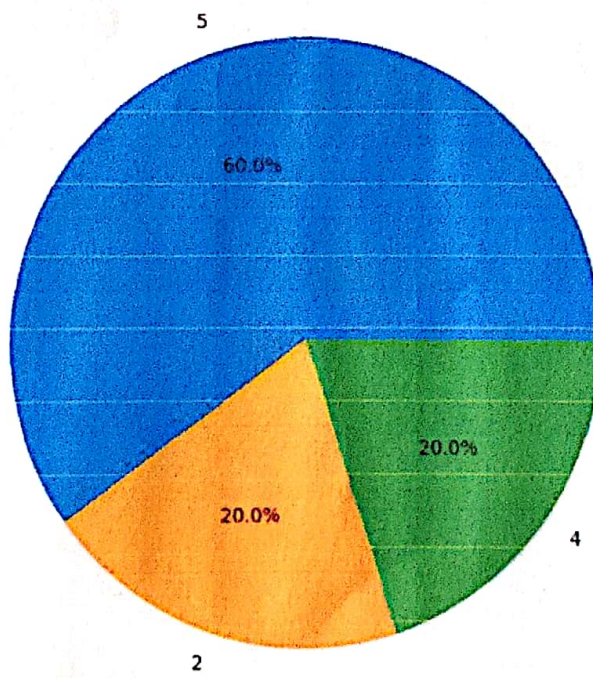

Academic Performance of the College is Good

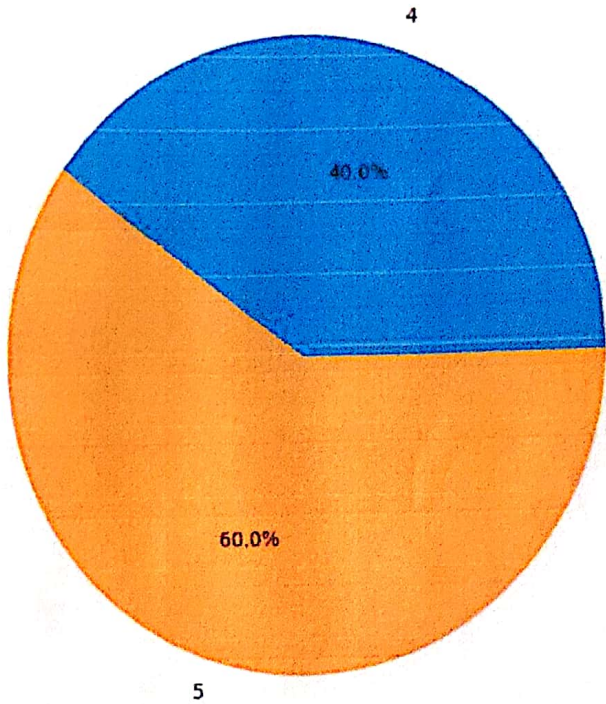

Course Design Applicable to Real Life Situations

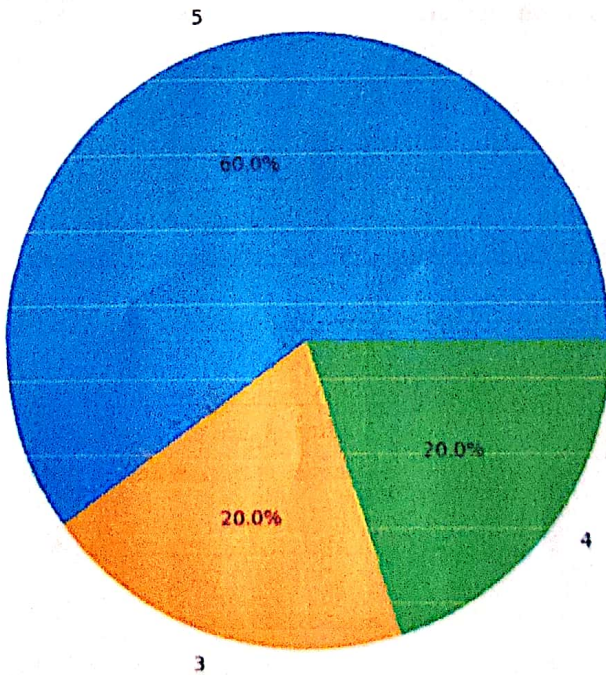

Course Design Helpful to Adapt to Career

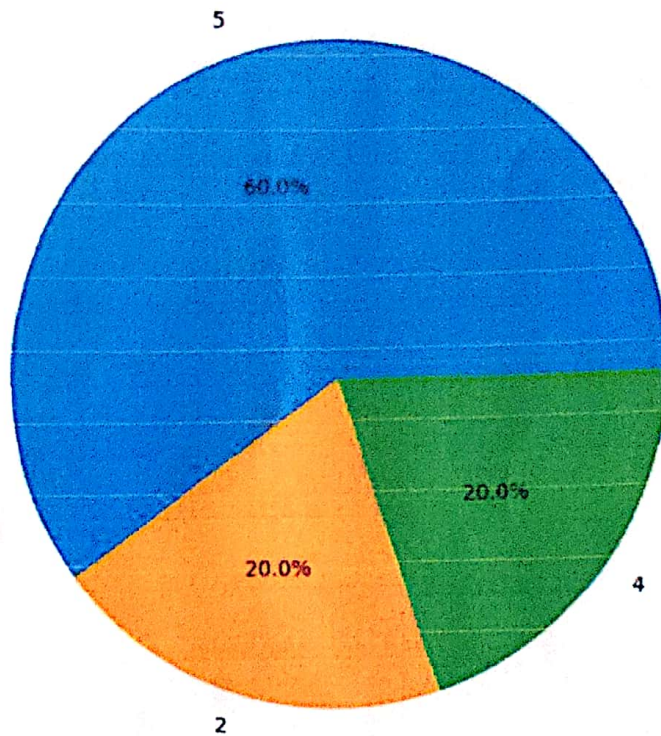

College Commitment Towards Holistic Development

Career Preparedness Initiatives and Employability

Course Structure Enhancing Progression for Higher Levels

Suggestions and Observations

1. Continue the good work in academic planning and student support.
2. The institution may introduce more technology-enabled learning practices and digital resources.
3. Conduct more skill development programmes, workshops, and certification courses to enhance employability.
4. Strengthen industry-academia interaction through collaborative projects
5. Introduce more career guidance and placement training activities for students.
6. Expand practical and hands-on learning opportunities in various disciplines.
7. Upgrade infrastructure and laboratories periodically in line with emerging technological advancements.
8. Encourage research-oriented activities, innovation, and entrepreneurship among students.
9. Organize more field visits, seminars, and experiential learning programmes.
10. Continue adopting new initiatives to remain aligned with technological competence and changing educational needs
