ABOUT VISAKHAPATNAM

Visakhapatnam, popularly referred to as Vizag, is a port city, located along the shores of the Bay of Bengal and is headquarters to the Eastern Naval Command of the Indian Navy. Although considered to be an industrial city, Vizag has a rich and vibrant culture and heritage. Vizag is blessed with natural beauty with hill ranges and pristine beaches along its coast line and lush green natural valleys. During the 18th century, the city was a Dutch colony. Today Vizag embraces its past and present seamlessly, making it an interesting and attractive city and is accessible to the world by all modes of transport.

Rationale

A very good morning to one and all.

"Language is the dress of thought, literature is the mirror of society, and Artificial Intelligence is the tool redefining how we create, communicate, and preserve both." This thought beautifully captures the essence of our conference.

It gives me immense pleasure, as the Convenor of this Two-Day International Conference on **"Role of Artificial Intelligence in the Development of Languages and Literature,"** to extend a warm and cordial welcome to all the distinguished dignitaries, delegates, scholars, faculty members, students, media representatives, sponsors, and participants gathered here today.

I extend my respectful welcome to the President of today's inaugural session, **Dr. Sr. Hema**, Vice Principal, St. Joseph's College for Women (Autonomous). Sister, your constant encouragement, guidance, and unwavering support have always been our source of strength. We are deeply honoured to have you preside over this inaugural session.

It is our singular privilege to welcome our esteemed Chief Guest, **Padma Bhushan Prof. Y. Lakshmi Prasad**, National President of the Vishwa Hindi Parishad, Former Member of Parliament (Rajya Sabha), eminent linguist, distinguished scholar, and visionary leader. Sir, your lifelong contribution to the promotion of Indian languages and literature has inspired generations. Your gracious presence greatly enriches this conference.

I extend a warm welcome to our Guest of Honour, **Dr. I. Vijaya Babu**, Principal, Dr. V. S. Krishna Government Degree & PG College (Autonomous), Visakhapatnam. Sir, your exemplary leadership and commitment to quality higher education continue to inspire the academic community.

A heartfelt welcome to our Keynote Speaker, **Mrs. Yamini K.**, Senior Software Engineer, Trase.ai, Seattle, USA. Ma'am, your expertise in Artificial Intelligence and global professional experience make you the perfect person to initiate our discussions on this contemporary theme.

I also warmly welcome our Distinguished Guest, **Prof. T. Satyanarayana**, Godavari Global University, Rajamahendravaram. Sir, your presence adds immense value to this academic gathering.

With profound respect, I welcome my revered Guru, **Dr. S. Krishnababu**, Chairman, DBRB Sansthan. Sir, your guidance, blessings, and continuous encouragement have been the foundation of my academic journey. This is the seventeenth conference I have had the privilege to organize, and each milestone has been possible because of your unwavering support. I offer my heartfelt gratitude and respectful pranams.

I also extend my sincere greetings to all academicians, resource persons, researchers, students, faculty members, delegates, media personnel, sponsors, and well-wishers whose presence has made this conference truly meaningful.

Rationale of the Conference

The Department of Languages has organized this Two-Day International Conference to provide a vibrant platform for academicians, researchers, educators, students, and language enthusiasts to exchange ideas and explore the transformative role of Artificial Intelligence in languages and literature.

తెలుగులో చెప్పాలంటే, AI అంటే మనిషిలా ఆలోచించి పనిచేసే సాంకేతికత. అయితే AI ఒక సహాయక సాధనం మాత్రమే; అది మానవ సృజనాత్మకతను భర్తీ చేయదు. భాషా అభ్యాసం, సాహిత్య పరిశోధన, అనువాదం, సృజనాత్మక రచన వంటి అనేక రంగాల్లో AI విశేషమైన మార్పులను తీసుకొస్తోంది. అందుకే ఈ అంశంపై లోతైన చర్చ ఎంతో అవసరం.

AI is transforming language learning, machine translation, literary research, creative writing, digital publishing, and the preservation of linguistic and cultural heritage. It enables learners to improve their communication skills while empowering researchers to analyse literary texts more quickly and accurately.

आज के समय में AI भाषा सीखने, अनुवाद, साहित्य सृजन और शोध के क्षेत्र में नई संभावनाएँ खोल रहा है। साथ ही, यह मौलिकता, नैतिकता और रचनात्मकता जैसे महत्वपूर्ण प्रश्न भी हमारे सामने रखता है।

While AI offers immense opportunities, it also raises important questions about originality, authorship, ethics, copyright, and responsible use.

इसलिए आवश्यक है कि हम AI के लाभों और चुनौतियों—दोनों को समझते हुए इसका विवेकपूर्ण और जिम्मेदारी के साथ उपयोग करें।

Through this conference, we aim to encourage meaningful academic dialogue, promote interdisciplinary collaboration, and explore how Artificial Intelligence can complement human intelligence while preserving creativity, critical thinking, and cultural values.

Over the next two days, I am confident that the deliberations will deepen our understanding, inspire innovative research, strengthen academic collaborations, and help us use AI responsibly in language learning, teaching, literary studies, and creative writing.

Once again, I extend my heartfelt welcome to all our distinguished guests and participants. I wish you a fruitful, enriching, and memorable conference.

Thank you. Have a wonderful and intellectually rewarding day.
